THE PACK IS BACK SO BACK THE PACK!

The Prune Packers have a long history, starting in the 1920's, of celebrating Healdsburg by providing affordable family entertainment in the form of top-notch collegiate summer baseball at spectacular Recreation Park, showcasing hometown Healdsburg boys who've gone on to play college ball after high school. This year, we're proud to have Elliott North and Ryan Rochioli playing for us again, under the capable leadership of Sonoma County's own Joey Gomes.

The Pack is gearing up for our best season ever with the summer of 2015 just around the corner. We had a wildly successful 2014 season, playing hard in the league championship and celebrating the Minnesota Twins' draft of the Pack's own Brandon Poulson. As spring approaches, you'll see Prune Packer banners and pennants flying throughout Healdsburg, as we all get ready for some of the best college baseball you've seen.

We've got a fantastic roster this year and will be playing regular Wednesday through Sunday games at historic Rec Park. We've got local restaurateurs set to supply great food at the ballpark, and Healdsburg businesses are lining up to support the Pack and sponsor games. Sponsor banners will be displayed around Rec Park from late May through early August, when the Pack will host our end-of-season tournament.

It takes a lot of baseballs to run a program of this quality, so please, dig deep, and remember – if it doesn't sting a little, you didn't give enough!

SINGLE SPONSOR – for a \$500 sponsorship, you'll be listed on the back of the program, your banner will hang at the ballpark for the season, and you'll get a business-card-sized ad in the program.

DOUBLE SPONSOR – for a \$1,000, you'll be listed on the program, your banner will hang at the ballpark for the season, and you'll get a 1/4 page ad in the program.

TRIPLE SPONSOR – for \$2,000, you get the listing, the banner, and a 1/2 page ad in the program.

HOME RUN SPONSOR – for \$3,000, you get the listing, the banner, a full page ad in the program, and 7th inning stretch is dedicated to your business. If you prefer, you can sponsor one of the players and get your name on his jersey!

GRAND SLAM SPONSOR – for \$5,000, you get the listing, the banner, a full page ad, and an entire game dedicated to you, with an invitation to come on out and throw the first pitch. You'll also get a picture with the team on your game day to hang on your wall.

Cash is king, but there are other ways to back the Pack as well:

Donate gift certificates or items of interest for our ballpark raffles at games.

Host a player who needs a home away from home for the summer.

Fly a Packer flag from your business or home to show support.

Keep a stack of pocket schedules near the cash register at your local business.

Donate healthy snacks for the players at the park.

Treat the team to a take-out dinner on the field after a game.

The Prune Packers are a non-profit 501(c)(4) social welfare organization that relies on the support of the Healdsburg community to keep our boys on the field. As a social welfare organization, your donation is not tax deductible as charitable giving; but if you buy a business sponsorship, it may be deductible as an advertising expense. Please consult your tax advisor.

Please don't hesitate to contact us with any question, and thank you for your support!
